## Barber of Sheffield Ltd

**Barber Medical is a trading department of Barber of Sheffield Ltd, which has been established for over 25 years, supplying a number of medical markets, including hospital surgical units, mortuary & pathology departments, laboratories, funeral directors, university medical schools, emergency services, search & rescue teams and veterinary companies.**

Originally founded on suture needles for the hospital and veterinary markets, we have continued to expand our range, offering a broad spectrum of products into these markets. Barber Medical has a long established relationship with the NHS and are now the UK's market leading mortuary and autopsy supplier, offering a vast range of products including capital equipment, body bags, post mortem needles, scalpel blades, mortuary saws, instruments and much more. We have expanded our range to export worldwide to various markets, with our vast range of suture needles and other products used all across the world.

We pride ourselves on the quality of our range, partnering with high quality stainless steel manufacturers to offer the highest level of quality in surgical needles, instruments and equipment. We are proud of our level of service, holding the majority of our products in stock, which enables us to provide next working day deliveries. As well as our broad range of stock, we can offer bespoke equipment, tailored to the customers' requirements and we are happy to send one of our representatives out to meet you to discuss your requirements.

To discuss any of our products please contact our customer service representatives on **0114 3493797** or email us at **sales@barbermedical.com** and we will be pleased to assist you. Our Barber Medical sales manager details are below:

**Name: Ian Couldwell**  
**Telephone: 0114 3493797**  
**Email: ian@barbermedical.com**

You can also find further information on all the Barber of Sheffield products on our 3 websites:

## Needles

Our Barber Medical department is the market leading mortuary needle supplier in the UK. Our range of post mortem needles have been specifically designed for the needs of mortuaries, but due to their extra thickness and larger sizes, these are also used across various industries, including veterinary. The post mortem needles are available in 3/8 circle (curved), 1/2 curved, serpentine (s-shape), 1/2 circle and straight, in packs of 12 and in the following variants:

## Post Mortem Needle Prices

826-S-6	Mayo 1/2 Circle Trocar 28mm	25 Pouches	£18.95

### Other Suture Needles

Outside of our post mortem needle range, we have a vast range of eyed suture needles available, which are available in sizes 1-20 (80mm-23mm). The below diagram shows the sizes available:

All these needles are available at £4.25 per pack of 12:

### 3/8 Circle Eyed Suture Needles

The 3/8 circle needles, which are also referred to as 'curved', are the most commonly used needle. The curvature makes it easy to manipulate in large or superficial wounds:

Product Code	Eye Type?	Point Type?	Body Type
NCTC.01 to NCTC.20	Regular	Triangular Cutting	Conventional
NRBC.01 to NRBC.20	Regular	Round Taper	Conventional
REVNCTC.01 to REVNCTC.20	Regular	Triangular Cutting	Reverse
SCTC.01 to SCTC.20	Spring Eye	Triangular Cutting	Conventional
SRBC.01 to SRBC.20	Spring Eye	Round Taper	Conventional

### 1/2 Curved Eyed Suture Needles

The 1/2 curved needles are commonly used for the laparoscopic surgical technique:

Product Code	Eye Type?	Point Type?	Body Type
NHCTC.01 to NHCTC.20	Regular	Triangular Cutting	Conventional
NHRB.01 to NHRB.20	Regular	Round Taper	Conventional
REVNHCTC.01 to REVNHCTC.20	Regular	Triangular Cutting	Reverse
SHCTC.01 to SHCTC.20	Spring Eye	Triangular Cutting	Conventional
SHRB.01 to SHRB.20	Spring Eye	Round Taper	Conventional

### 1/2 Circle Eyed Suture Needles

The 1/2 circle needles are usually used for surgery in confined locations:

Product Code	Eye Type?	Point Type?	Body Type
NHCRTC.01 to NHCRTC.20	Regular	Triangular Cutting	Conventional
NHCRRB.01 to NHCRRB.20	Regular	Round Taper	Conventional
REVNHCRTC.01 to REVNHCRCTC.20	Regular	Triangular Cutting	Reverse
SHCRCTC.01 to SHCRCTC.20	Spring Eye	Triangular Cutting	Conventional
SHCRRB.01 to SHCRRB.20	Spring Eye	Round Taper	Conventional

### Straight Eyed Suture Needles

The straight needles are used when the tissue is easily accessible, so they are usually used for skin closure or nerve/vessel repair:

Product Code	Eye Type?	Point Type?	Body Type
NSTC.01 to NSTC.20	Regular	Triangular Cutting	Conventional
NSRB.01 to NSRB.20	Regular	Round Taper	Conventional

## Scalpel Blades

### Disposable PM40 Blade + Handle

## Cleaning

We supply a wide range of cleaning products for deep cleaning, hand cleaning, surface cleaning and instrument cleaning:

### Distel Disinfectants

Distel disinfectants (formerly known as Trigene), offer economic dilutions of 1:100 for general cleaning and 1:10 for high risk areas and body spills. It is biodegradable and has been tested as non-corrosive and non-fuming. It is safe to use on most materials including metal, plastics, rubber and stainless steel. It is available in 5 litre and 1 litre, as well as sprays and wipes

- 660106** – Disinfectant 5 Litre
- 660107** – Disinfectant 1 Litre
- 660108** – Wipes (100 Wipes)
- 660109** – Spray 500ml

### Biocleanse Disinfectants

Biocleanse is a concentrated deodorising cleaner, degreaser, disinfectant and fungicide for use in scientific, medical and biotechnology environments to combat biological hazards. As part of the Biocleanse range, there is also the wipes and spray

- 373710B** – Disinfectant 5 Litre
- 660086** – Wipes (200 Wipes)
- 660087** – Spray 500ml

### Haemo-sol Cleaning

Haemo-Sol completely dissolves blood, serum, mucus, sputum, urine, pus, agar, geletin or other protenacious soil, with no need to scrub. Simply soak the items in Haemo-Sol and then rinse, leaving no residue. It can also be used in ultrasonic cleaning

- 660023**  
2.27kg

## Ardol Absorbent Compound

Ardol is a highly absorbent compound with disinfecting, antiseptic and deodourising properties. It absorbs over ten times the initial volume. It can also be used to spread evenly over the bottom of a coffin

**00253** – 0.6kg  
**00251** – 15kg

## Terminex

Terminex is designed for use in disinfecting and cleaning most hard surfaces, fabrics and upholstery. It is ideal for use in funeral homes, mortuaries and hospitals

**372101B**  
 5 Litre

## Tristel

There are two options for the Tristel range. Firstly there is Tristel Jet for surfaces, designed for everyday use when you require a deep clean, with an optional re-usable trigger head for ease of application. The second option is the Tristel Fuse, which are easy to burst sachets containing base and activator solutions. It is a high level disinfectant for floors, walls and general hard surfaces

**660111** – Tristel Jet Pack 200ml  
**660112** – Re-usable Trigger Head  
**660113** – Tristel Fuse (40 Sachets)

## Odostel

Odostel is an odour eliminator and a cherry fragrance re-odouriser. It may be used in all human and animal areas where there is a need for rapid re-odourisation of the atmosphere

**372038B**  
 5 Litre

## Virkon

Virkon is a high level surface disinfectant, effective against a wide range of bacteria, virus and fungi. Cleans and disinfects in one step

**660064**  
 500g

## Desolve Drain Cleaner

Desolve drain cleaner restores your drains to full flow, by destroying hair, soaps, scum etc. Does not harm pipes

**372103B**  
500g

## Airstel Aerosol Disinfectant

Airstel is a high level airbourne disinfectant, providing air and surface disinfection in a rapid and effective manner. It is a non-flammable product, which allows it to be used in areas other products can't. It also eliminates unpleasant odours

**660114** – 50ml  
**660115** – 300ml

## Clinell

Clinell universal spray and wipes. Alcohol free. Can be used to clean and disinfect all work surfaces

**102269**  
Spray - 500ml  
**660038**  
Wipes - Pack of 200

## Hibiscrub

Hibiscrub handwash is an antimicrobial skin cleanser. Unlike soaps and gels, it binds to the skin to offer protection for up to 6 hours

**660015**  
500ml  
**660016**  
5 Litre

## Softalind Hand Spray

Alcoholic hand sanitiser in a small bottle to clip onto a belt

**660070**  
75ml

## Softalind Hand Sanitiser

## PM Natural Sponge

**351052B**

## Rapidex Instrument Cleaner

An essential aid for infection control. For pre-cleaning of surgical instruments manually or ultrasonically

**660019**  
Sachets - Pack of 50  
**660020**  
Powder - 2.25kg

## Sani Hard Surface Wipes

Sani anti-bacterial wipes help to eliminate contaminants and ensure all surfaces and equipment are thoroughly clean and sterile

**660029**  
Pack of 200

## Ultrasonic Cleaning

The Ultrawave units are unheated cleaning machines, which eliminate the need for manual scrubbing and cleansing prior to sterilisation. Using a suitable ultrasonic cleaning solution, you simply select the amount of time required by turning the timer control. They are ideal for cleaning instruments

**670024** – Ultrawave Machine 0.5 Litre  
**670002** – Ultrawave Machine 1.95 Litre  
**670041** – Ultrawave Machine 2.5 Litre  
**670074** – Ultra 7000 Ultrasonic Cleaner  
**100853** – Ultra 8060 Ultrasonic Cleaner

## Mortuary & Funeral Consumables

### Head Blocks/Rests

#### John Lester Head Support

This head support was designed by University Hospital Southampton NHS Trust for respectful viewing of the deceased, as this reduces the lividity of hypostasis to the face and provides stability

**351032B**  
320 x 260 x 150mm

#### Black Rubber Head Block

Our most popular head block. It is a 6-way multi axle re-usable head block

**351030B**  
155 x 115 x 132mm

#### Polystyrene Head Block

The polystyrene head block is a 6-way disposable head block

**351037B**  
Pack of 12  
150 x 120 x 110mm

#### Normors Chin Collars

Easy to fit and very discrete collars. These are almost invisible once fitted and help to keep the shape of the face intact for viewings

**351029B**  
Large – Pack of 10  
**351029AB**  
Medium – Pack of 10

#### Adult Stainless Steel Head Rest

**351033B**  
320 x 100 x 120mm

#### PE Head Block Polyethylene plastic

**351036B**  
320 x 65 x 120mm

#### Plastic Chin Rest

**3308B**  
110mm

## Twine & Closures

### Post Mortem Twine

The twine is made up of ecru linen thread for easy and reliable sewing and weighs 250g

**351040B**  
250g  
310 metres

### Suture Thread

The 4 cord suture thread is supplied in a 100 metre reel and weighs 50g

**351210B**  
50g size 12  
100 metre reel

### Ligature Thread

Fine cord of twisted fibres in 100% linen thread no. 18. There are 2 options of 50g or 250g

**351507B**  
50g  
130 metres  
**3285B**  
250g  
650 metres

### Cosmetic Thread

Fine cord of extra fine 100% nylon thread and weighs 2g. Suitable for surgical procedures and superficial suture procedures and restoration

**3287B**  
2g extra fine

### Cyanoacrylate Glue

Super glue for lip, eye and incision adhesive. The glue sets instantly

**3391B**  
3g  
**3392B**  
20g

## Fillers & Liners

### Cellosene Wadding

Cellosene is an excellent absorber in trauma and spills and is also used as an absorbent packing material in mortuaries

**350033B**  
500g

### Grey Wadding

The wadding is used as a packing material in mortuaries

**350036B**  
20 metre  
1 metre folded over

### Cotton Wool

**350038B**  
Absorbent 500g

**350039B**  
Non-Absorbent 500g

### Bulk Cavity Filler

Alternative to cotton wool. Gels fluid to prevent leakage

**340007B**  
10lb box

### Cavity Inserts

Place in areas where pooling body fluid occurs

**340005B**  
3x8inch - Pack of 25

**340006B**  
3x18inch - Pack of 10

### Plug Inserts

Cotton plug inserts to reduce and prevent leakage

**340008B**  
0.75x5inch - Pack of 20

**340009B**  
0.75x3inch - Pack of 25

### Sheets & Liners

Used to wrap the body or place inside body bag

**340011B**  
Liner 25x86inch - Pack of 5

**340012B**  
Sheet 24x86inch - Pack of 5

**340013B**  
Sheet 63x90inch - Pack of 5

### Cranium Pads

Used to place under the head to absorb and solidify leaking fluids, with liquid lock and leak proof barrier

**340010B**  
254 x 254mm

### Casket Liner

Designed to absorb any leakages

**340015B**  
558 x 1905mm  
Pack of 2

### Skin Wrap

Helps reduce or eliminate leakages

**340014B**  
101 x 2540mm

### Coffin Lining

Designed to absorb leakages

**00220B**  
250m Roll

## Couch & Wiper Roll

### Wiper Rolls

**660001** – Blue 10inch  
2 ply - Pack of 18  
460 x 420mm

**660001W** – White 10inch  
2 ply - Pack of 18  
460 x 240mm

### Couch Rolls

**660003** – Blue 20inch  
2 ply – Pack of 9  
460 x 480mm

**660003W** – White 20inch  
2 ply – Pack of 9  
460 x 480mm

**660126** – Couch Roll Dispenser

### Centrefeed Rolls

**660005** – Blue  
1 ply – Pack of 6  
300 x 195mm

**660006** – White  
2 ply – Pack of 6  
150 x 195mm

**660007** – Centrefeed Roll Dispenser

### Hand Towels

**660008** – Blue  
1 ply – pack of 2944  
310 x 230mm

**660009** – White  
2 ply – pack of 2430  
330 x 225mm

**660010** – Hand Towel Dispenser

### Kitchen Roll

High absorbency kitchen roll, sold in a pack of 24

**660000**  
2ply  
Pack of 24

## Funeral Consumables

### ID Bracelets

Medical ID bracelets, made from a non-toxic, soft PVC material for a comfortable and adjustable fit. Also used in a mortuary or funeral environment. Two types available:

#### **229B**

Inserts  
Pack of 100

#### **351718B**

Write on  
Pack of 100

### Plain Eye Caps

Transparent eye caps for use in mortuaries or a funeral home. Designed to grip the eye lids and hold them closed to give a natural form to the eye ball for viewings.

#### **3301B**

Pack of 100

### Perforated Eye Caps

Perforated transparent eye caps for use in mortuaries or a funeral home. Designed to grip the eye lids and hold them closed to give a natural form to the eye ball for viewings.

#### **3303B**

Pack of 100

### Armstrong Mouth Former

The copper wire holds a natural mouth shape. The spacer allows for the correct distance between the upper and lower jaw.

#### **3309B**

Pack of 12

### Natural Expression Former

Helps to maintain a natural face shape. This is the most versatile facial former on the market due to its natural face shape and material

#### **3311B**

Pack of 12

## Electric Saws

### De Soutter NS3 Autopsy Saw

Barber Medical are an official distributor for the De Soutter CleanCut NS3 autopsy saw and accessories. All the saws are made to order, with the spares kept in stock. The saw incorporates a hand piece and an extractor unit that operates to the highest standards of pathogenic debris containment and filtration. The saw has the following features:

- 40V hand piece is fully immersible, allowing it to be routinely scrubbed and disinfected after use
- Variable speed operated at the power supply, gives optimum cutting efficiency
- IP67 ingress protection – immersible at 1 metre
- Clear extraction hood – allows for excellent visibility when cutting
- Fully rotatable hood – designed to suit the most convenient cutting position
- Hose attaches securely to the extraction unit, allowing for excellent flexibility
- Five levels of filtration – enabling the system to meet the highest safety standards
- Extraction can be switched on and off by the hand piece
- Suction rate can be switched between high and low, depending on what you are working on

#### Saw:

369494B – NS3 Saw (with Extractor)  
 369493B – NS3 Saw Hand Piece  
 369495B – NS3 Control Box

#### Blades:

369330B – Circular Blade 51mm  
 369329B – Circular Blade 63mm  
 369317B – Circular Blade 76mm  
 369354B – Segment Blade 51mm  
 369421B – Double Segment Blade 63mm  
 374106B – Blade Retainer Assembly

#### Extraction & Filters:

369496B – Extractor Unit  
 369537B – Extractor Hood  
 374052B – Extractor Hood & Hose Kit  
 374053B – 3 Metre Hose  
 369539B – 3 Metre Extension Cable  
 369356B – Micro Filter  
 369357B – Primary Filter  
 369355B – Secondary Filter  
 347076B – Debris Bag  
 374088B – Paper Bag  
 SERVICE – Available on Request

## Medezine Swordfish 5000 Autopsy Saw

Barber Medical are an official distributor for the Medezine Swordfish 5000 autopsy saw. The system was built to cope with the increasing demands of autopsies. It has been designed for ergonomic efficiency to reduce the operator fatigue and is one of the quietest saws available. The hand piece weighs only 1300g and the unit operates on a very safe 40 volts. The saw has the following features

- Redesigned power supply to give more power to the hand piece to cope with increased demand. Available in 110 or 240 volt
- Top mounted power lead for easy removal of the hand piece
- New hand piece storage position to improve stability
- Larger chassis wheels for easier manoeuvrability
- The hand piece now has heavy duty bearings to give a longer life
- Ingress Protection - saw/vacuum unit is IP65 and the hand piece is IP67

### Saw:

- 374107B – Saw
- 374101B – Portable Unit
- 374126B – Power Supply
- 374108B – Heavy Duty Saw

### Blades:

- 374114B – Segmented Blades 51mm
- 374111B – Circular Blades 64mm
- 374113B – Circular Blades 76mm
- 374113B – Depth Gauge for 76mm Blade

### Extraction & Filters:

- 374116B – Paper Filter Bag
- 374117B – Cloth Filter Bag
- 374118B – Micron Filter
- 374130B – Paper Bag Support Ring
- 374115B – Vacuum Hood
- 374119B – Vacuum Pipe 2m
- 374122B – Vacuum Pipe 4m Extension
- 374131B – Vacuum Housing Lid

### Other:

- 374125B – Hand Piece 4m Extension Lead
- CLMPKIT – Clamp, Bolt & Washer Kit
- 374121B – Nut Wrench, Screw & Washer
- 374124B – Mains Lead with Armouring
- 374129B – Castors for Base
- 374128B – Chassis Base (with Castors)
- 374120B – Service Kit
- SERVICE – Available on Request

## First Aid

### Isopropyl Steret Swabs

Pre-injection steret swabs contain a viscose swab impregnated with isopropyl alcohol

**630015**  
Pack of 100

### First Aid Kit

Kit for 1-10 employees, including bandages, plasters, gloves, wipes, dressings and tape

**680050**

### Mepore Dressing

**630007**  
6 x 7cm – Pack of 60  
**630008**  
9 x 10cm – Pack of 50  
**630050**  
9 x 15cm – Pack of 50

### Gauze Swabs

Non-woven, strong and durable swabs. Excellent alternative to cotton wool. Highly absorbent for removing any blood and puss from a wound

**630009**  
5 x 5cm – Pack of 100

**630010**  
7.5 x 7.5cm – Pack of 100

**630011**  
10 x 10cm – Pack of 100

**630012**  
10 x 10cm – Pack of 25  
Sterile

### Micropore Tape

**630016**  
1.25cm x 9.1m – Pack of 24  
**630017**  
2.5cm x 9.1m – Pack of 12  
**630018**  
5cm x 9.1m – Pack of 6

### Finepore Tape

**630019**  
1.25cm x 9.1m – Pack of 24  
**630020**  
2.5cm x 9.1m – Pack of 12

**630037**  
1.25cm x 9.1m – Pack of 24  
**630038**  
2.5cm x 9.1m – Pack of 12

### Eye Wash Solution

Sterile eye wash for irrigation and cleansing of the eyes

**9104AB**  
500ml

### Eye Wash Station

Includes a mirror, 2 x 500ml eye wash solution and 2 x no.16 sterile eye pads

**9104B**

## Instruments – Knives

### Disposable Knives

Our most popular knives, with plastic handles. They are sold in packs of 10 in the following variants:

**328109B**

12inch/300mm

**328110B**

10inch/254mm

**328111B**

8inch/203mm

**328112B**

6inch/152mm

**328113B**

4inch/101mm

### Brain Knives

The brain knives are available with different handle styles:

**Solid Forged Stainless Steel:**

**328030B**

381mm

**328091B**

254mm

**Polypropylene:**

**328108B**

304mm

**328108BS**

304mm

### Organ Knives

**Solid Forged Stainless Steel:**

**325028B**

254mm

**325065B**

152mm

**Polypropylene:**

**329034B**

254mm

### Cutting Board/Table

Made to measure PE500 cutting board, with a self-sealing cutting surface, available with rubber feet.

Made to measure stainless steel cutting table, which can be used with our cutting board.

Please provide dimensions required

**366584B** – Board

**366584FEET** – Board Feet

**780061** - Table

### Rib Knife

Stainless steel rib knife with plastic handle for comfort and precision

**329022B**

### Catlin Knife

Solid forged stainless steel knife

**326033B**

6inch

### Knife Sharpener

Catrahone electric knife sharpener

**329030B**

## Instruments – Forceps

We sell a variety of forceps to the medical and veterinary markets, including artery, bone cutting, dissecting, dressing, stripping and tissue forceps.

### Autopsy Forceps

#### Bone Cutting

Bone cutting forceps in straight or angled

**335010B**

Straight - 8inch

**335022B**

Straight - 9inch

**335034B**

Straight - 10inch

**335046B**

Angled - 10inch

**335058B**

Angled - 12inch

#### Dura Mater Stripping

Stripping the dura mater – toughest of the membranes covering the brain and spine

**350011B**

Angled – 8inch

**350012B**

Straight – 8inch

### Artery Forceps

Used to compress the artery, clamp and seal small blood vessels or hold the artery out of the way. Below is a selection of our artery forceps:

#### Spencer Wells

Primarily used in abdominal surgery to compress the artery, seal small blood vessels or keep the artery out of the way

**SPENCERCVD5INCH**

**SPENCERCVD6INCH**

**SPENCERCVD7INCH**

**SPENCERCVD8INCH**

**SPENCERSTR5INCH**

**SPENCERSTR6INCH**

**SPENCERSTR7INCH**

**SPENCERSTR8INCH**

**SPENCERSTR9INCH**

#### Halstead

Fine pointed and ratcheted, used to crush very small vessels

**HALSTEADCVD5INCH**

Curved - 5inch

**HALSTEADCVD6INCH**

Curved - 6inch

**HALSTEADSTR5INCH**

Straight - 5inch

**HALSTEADSTR6INCH**

Straight - 6inch

## Dissecting Forceps

Used to handle tissues and also to manipulate needles and other instruments whilst operating.

### Dissecting - Serrated

Straight dissecting serrated forceps to allow for precision and easy handling during surgery

**337018B**

5inch

**337031B**

6inch

**337043B**

8inch

**337055B**

10inch

**337057B**

12inch

**337056B**

18inch

### Treves - Teeth

Forceps with 1x2 or 2x3 teeth

**TREV1X25INCH**

1x2 Teeth – 5inch

**TREV1X26INCH**

1x2 Teeth – 6inch

**TREV1X27INCH**

1x2 Teeth – 7inch

**TREVFPCPS1X28INCH**

1x2 Teeth – 8inch

**TREVFPCPS2X35INCH**

2x3 Teeth – 5inch

**TREVFPCPS2X36INCH**

2x3 Teeth – 6inch

**TREVFPCPS2X37INCH**

2x3 Teeth – 7inch

### Dissecting - Teeth

Dissecting forceps with 2x3 teeth

**DISS2X36INCH**

2x3 Teeth – 6inch

**DISS2X37INCH**

2x3 Teeth – 7inch

**DISS2X3**

2x3 Teeth – 8inch

### Ramsey's - Teeth

Dissecting forceps with 1x2 or 2x3 teeth

**125313B**

1x2 Teeth – 7inch

**125325B**

2x3 Teeth – 7inch

### Jeans

**JEANSFORCEPS7INCH**

7inch

### Epilation

**EPILATION**

3.5inch

## Dressing & Tissue Forceps

Dressing forceps are used for holding dressing material such as cotton and gauze. Tissue forceps are used for grasping, holding and manipulating various types of tissue.

### Dressing

Used to hold dressing materials such as cotton and gauze

**DRESSING5INCH**

5inch

**DRESSING6INCH**

6inch

### Hartmann Aural

Commonly used in ENT surgeries

**HARTMANAURAL3.5**

3.5inch

**HARTMANAURAL5**

5inch

### Turnover

Dressing forceps, also known as 'Bendover'

**TURNOVER5INCH**

5inch

**TURNOVER6INCH**

6inch

### Adsons

Tissue forceps with 1x2 teeth are used for holding and manipulating delicate tissue

**ADSONS1X2**

1x2 Teeth – 5inch

### Allis

Allis tissue forceps with 3x4 or 4x5 teeth

**ALLIS3X46INCH**

3x4 Teeth – 6inch

**ALLIS4X56INCH**

4x5 Teeth – 6inch

### Iris

Commonly used for grasping and handling tissue

**IRISFCPSCVD**

Curved - 4.5inch

**IRISFCPSSTR4.5IN**

Straight 4.5inch

**IRISFCPS1X24INCH**

1x2 Teeth - 4.5inch

### Lanes

Tissue holding forceps with 1x2 teeth

**LANES1X25.5INCH**

1x2 Teeth – 5.5inch

### Vulsellum

Ratcheted forceps with hooks at the tip of each blade. Used to gripping tissue

**338035B**

10inch

## Instruments – Rib Shears, Saws & Other

### Rib Shears & Saws

#### Pollock's Rib Shears

Rib shears for autopsies

**336026B**  
12.25inch

#### Eslander Rib Shears

Rib shears for autopsies

**336038B**  
8.5inch

#### Barber Rib Shears

Similar to the Pollock's rib shears, but have wider handles to prevent knuckles bashing

**336027B**  
12.25inch

#### Barber Long Handle Rib Shears

Extra-long handles for added leverage

**336028B**  
15inch

#### Amputation Saw

Hinged back saw with shaped end

**325132B**  
10inch Blade

#### Barnard's Saw

Primarily used for autopsies

**339015B**  
11inch Blade

#### Fixed Back Saw

Fixed back saw, primarily for autopsies

**339027B**  
9inch

**339040B**  
10inch

#### Hinged Back Saw

Hinged back saw, primarily for autopsies

**339039B**  
9inch

**339052B**  
10inch

## Chisels & Mallets

### Cranium Chisel

Stainless steel cranium chisel for autopsies

**343112B**  
20mm Blade

### Spinal Chisel

Stainless steel spinal chisel for autopsies

**343114B**

### Straight Chisels

Stainless steel straight chisels for autopsies

**343018B**  
0.5inch – 12mm Blade

**343031B**  
0.75inch – 19mm Blade

**343043B**  
1inch – 25mm Blade

### Vertebrae Chisels

Stainless steel vertebrae chisels for autopsies

**343110B**  
3inch – 76mm Blade  
Straight

**343111B**  
3inch – 76mm Blade  
Angled

### T-Shape Chisel

Stainless steel T-shape large chisel for autopsies

**343092B**  
25mm Blade

### Army Pattern Mallet

Stainless steel army pattern mallet for autopsies

**344072B**  
210mm, Head 25mm

### Rubber Mallet

Rubber mallet with wooden handle for autopsies

**344084B**  
500gms

### Gouges

Stainless steel gouges for autopsies

**339055B**  
0.75inch – 19mm Blade

**339067B**  
1inch – 25mm Blade

## Probes

### Probe with Eye

Stainless steel multipurpose probe with eye

**342014B**

150mm

**342026B**

200mm

**342038B**

250mm

### Probe Fish Tail

Stainless steel multipurpose fish tail probe

**342051B**

150mm

**342063B**

200mm

**342075B**

250mm

## Clamps & Needle Holders

### MacPhail Needle Holders

Stainless steel needle holder

**MACPHAIL6INCH**

6inch

**MACPHAIL7INCH**

7inch

**MACPHAIL8INCH**

8inch

### Backhaus Towel Clip

Perforating clamp used for grasping tissue or securing towels/drapes

**BAUCHAUS**

3.5inch

### Jones Towel Clip

To penetrate towels and drapes and hold them in place over surgical sites

**JONES**

90mm

### Gillies Needle Holders

Stainless steel needle holders – right or left hand, for use with delicate suture needles

**GILLIEL/H**

Left Hand – 6.25inch

**GILLIER/H**

Right Hand – 6.25inch

### Schaedel Towel Clip

To hold towels in place over surgical sites

**SCHAEDEL**

### Olsen Hegar Needle Holder

Stainless steel needle holder to hold fine suture needles

**OLSENHEGAR**

6.5inch

### Mayo Hegar Needle Holder

Stainless steel needle holder to hold medium to large suture needles

**MAYOHEGAR**

5.5inch

## Instruments – Miscellaneous

### Autopsy Kit

Autopsy kit presented in a wooden case with carrying handle

Contents:

1 x Autopsy Knife	1 x Test Tube
1 x Cartilage Knife	1 x Ratchet
4 x Scalpel Blades	1 x Amputation Saw
1 x Bowel Scissors	1 x Spare Saw Blade
1 x Incision Scissors	2 x Retractors
2 x Chisels	1 x Stylet
2 x Dissection Pliers	2 x Insufflators
1 x Hammer	1 x Pack of Needles
1 x Bone Shears	1 x 1m Folding Ruler

**35500B**

### Aneurysm Hooks

Stainless steel aneurysm hooks, with or without an eye

**3001B**

175mm

**3002B**

175mm – with Eye

### Separators

Separators for dissecting work with different ends

**3004B**

160mm - Flat

**3005B**

188mm – McDonald's

### Raspatory

Raspatory for scalp during an autopsy

**345015B**

7inch

### Infant Skull Shears

Stainless steel shears for use during an autopsy

**336051B**

7.25inch

### Skull Clamps

For use during an autopsy

**336052B**

Pack of 20

### Ladle

Stainless steel ladle

**350023B**

76mm Diameter

## Laboratory, Measures & Scales

### Laboratory – Histology Supplies

#### Histology Pots with Formalin

Neutral buffered formalin in a selection of pots, jerry cans and buckets

**340030**  
30ml – Pack of 102

**340020**  
60ml – Pack of 50

**340024**  
125ml – Pack of 32

**340025**  
250ml

**340021**  
5 Litre Jerry Can

#### Empty Histology Pots

Selection of empty pots and buckets

**340039**  
30ml – Pack of 800

**340028**  
60ml – Pack of 300

**340026**  
120ml – Pack of 250

**340027**  
250ml – Pack of 50

**340036**  
5000ml – Ex-Large Bucket – Pack of 45

#### Slide Trays

Heavy duty card trays for slides in a laboratory

**R10051-B**  
Slide Tray Box – 12 Trays

**R10050-B**  
Slide Trays – 9 Slides

**R10031-B**  
Slide Trays – 20 Slides

**R10030-B**  
Slide Trays – 24 Slides

## Measures & Scales

### Organ Scale - Hanging

Hanging organ scale with a rechargeable battery

Capacities  
30kg

**35655B**

### Easiweigh Digital Scales

Digital scales with pan provided. Please quote capacities and increments required when ordering

Capacities  
3kg, 6kg, 10kg, 15kg, 20kg or 30kg  
Increments  
1g, 2g, 10g, 15g, 20g or 30g

**EASIWEIGHB**

**EASIWEIGHBOWL**  
Replacement Bowl

### Waterproof Bench Scale

Stainless steel IP68 rated waterproof scale with rechargeable battery. Supplied with or without a scoop. Please quote capacities and increments required when ordering

Capacities  
3kg, 7.5kg, 15kg or 30kg

Increments  
0.2g, 0.5g, 1g, 2g or 5g

**35658B**

With Scoop

### Waterproof Swab Scale

Stainless steel IP68 waterproof swab and organ scale with rechargeable battery. Please quote capacities and increments required when ordering

Capacities  
6kg, 15kg or 30kg

Increments  
1g, 2g or 5g

**35662B**

### Body Measures

Steel body measure with 2 plastic arms, allowing the user to slide the arms up and down for accurate measurements

**349045B**

7 Foot

**349057B**

3 Foot

**349069B**

Spare Plastic Arm

### Steel Measures

Steel measuring sticks

**344023B**

12inch

**344096B**

24inch

## Mortuary Furniture – Refrigeration & Racking

---

### Refrigeration

From hospital mortuaries to funeral directors to mosques, we can visit your site to offer a bespoke quotation on your refrigeration and racking requirements.

#### Refrigeration

The refrigerated mortuary cabinet is available in single or multi door format and as its design is based on a modular format it can be readily adapted to match any particularly configuration or site constraint

- Modular Design – the compact cabinets are complete with all internal components and fitted with slotted racking and full width PVC coated rollers enabling up to 4 tier storage. The racking allows simple tool free roller adjustment and is an essential part of the design. If you wish to maximise the space, then we offer a space efficient stub or axle roller option, which support each side of the tray and allow storage up to 5 tiers. Variants allow for obese and bariatric doors, side loading units for smaller rooms and individual doors for ethnic separation
- Cooling - the cooling plant is supplied by a world class manufacturer to provide a fully functional cold storage facility. Available in several variants to meet any circumstance or site restriction this equipment is both energy efficient and environmentally friendly. The cabinet rooftop or wall mounted units offer the best value for money, but we can install remote equipment where noise or heat can be a nuisance
- Benefits - with a choice of finishes, trays and cooling plant this product meets the highest industry standard and will provide both reliability and longevity. We are confident that you will appreciate the benefits of this equipment and have extended our warranty accordingly

Please enquire on 0114 3493797 or [sales@barbermedical.com](mailto:sales@barbermedical.com) to discuss your refrigeration and racking requirements or to arrange a site visit so we can provide you with a bespoke quotation

## Racking & Body Trays

### Racking

Our free standing racking system offers simple storage for cold rooms or cabinets. The user has a choice of tiers, widths, roller types and fabrication – in either powder coated steel or stainless steel. Our value range of racking is designed to provide space efficient storage at a competitive cost. Using a steel free standing fabrication the racking is built as a modular flat pack so it can be designed to fit any space and is ideally suited for self-assembly. We provide a choice of several widths to suit wider trays or coffins, which with the 3, 4 or 5 tiers allow a multi-bay unit to be tailored to fit any site width or height constraint. The racking is available in end loading or side loading, depending on the space you have and the stub roller technology allows for extra space/storage.

**MSRK 1-4**

### Body Trays

- Manufactured in 304 grade stainless steel with a super satin finish.
- Available in either fabricated or pressed style
- 100% fully welded construction with a pressed (crevice free) construction
- Complete with full width stainless steel handles and tray runners
- Compatible with most cabinets and mortuary trolleys
- Are available with various options to enhance both versatility and performance
- Special 'user' design features
- The deep profile will contain fluids whilst enabling simple body transfer
- Tray runners feature radiused lead in to avoid trolley damage
- The deep construction keep handles clear of trolley avoiding 'knuckle' damage

Auto roll design, with two straps, mattress and a cover. Spare straps and cover are also available (see price list)

**50052B**  
1900 x 560mm  
Height 250-880mm  
160kg Max Load

#### Lifting/Scoop Stretcher

Aluminium lifting scoop stretcher supplied with 3 straps. Allows the operator to load without lifting or rolling

**50051B**  
1700-2050 x 430mm  
175kg Max Load

#### Coffin Trolley

Folding heavy duty aluminium alloy coffin trolley with four wheels, brakes and fold out handles

**50056B**  
1450 x 600 x 650mm  
450kg Max Load

#### Coffin Roller

Stainless steel coffin roller. Low centre of gravity makes it easy to manoeuvre

**32140**  
650 x 575 x 500mm

#### Fixed Bier

White fixed bier for transportation of coffins, supplied with 5inch wheels and a choice of four covers – black, maroon, navy or purple (see price list). Finished in an epoxy coating

**195571B**  
890 x 485 x 635mm

## Tables

### Flat Top Folding Table

Stainless steel folding flat top table, for multiple uses. Commonly used as a simple worktop or dissection table. The table folds away for easy storage and has a removable shelf for additional storage

**33507B**  
1800 x 650 x 850mm

### Autopsy/Wash Table with Raising Jack

Manufactured in the highest quality stainless steel this table with a raising jack allows for ease of working and washing in a mortuary or funeral director. Mounted on a square section frame with the raising jack allowing for ease of water drainage

**3900B**  
2100 x 750 x 850mm

### Basic Autopsy/Wash Table

Stainless steel dished based basic autopsy and wash table. This is ideal for a lower budget or when a premium version is not required

**3300B**  
2100 x 750 x 850mm

### Diamond Cut Autopsy/Wash Table

Manufactured in the highest quality stainless, this table is specifically designed for washing in a mortuary or funeral directors. It has braking on all wheels and is very sturdy

**33501B**  
2200 x 750 x 850mm

## Folding Autopsy/Wash Table

Manufactured in the highest quality stainless, this table is specifically designed for where space is at a premium in a mortuary or funeral director

**33504B**  
2200 x 750 x 850mm

## Perforated Autopsy/Wash Table

Manufactured in the highest quality stainless, the perforated table is ideal for mosques or funeral directors. Fitted with a semi-obese fabricated tray, incorporating a nominal 50mm fall leading to the drain outlet. Three perforated trays secure the optional splash top shield in place for water containment

**33508B**  
2200 x 750 x 850mm

## Electric Height Adjustable Autopsy/Wash Table

Manufactured in the highest quality stainless, this table comes with an electric actuator for convenient working height selection in a mortuary or funeral director. Operates with a simple push button operation. Features a one piece steel platform featuring a deep profile worktop with under drainage. The perforated top replaces the need for body supports, with a diamond cut drain

**3900A**  
2200 x 750 x 500-1500mm

## Autopsy/Wash Table with Extractor

Manufactured in the highest quality stainless, this table has an extractor and a built in ventilation system to clear smells/gases. The table is fixed height and has a perforated top with an end sink, a 3 metre flexible hose, elbow controlled hot and cold water mix and a hydro aspirator to activate the extractor

**33320B**  
2800 x 795 x 880mm

## Trolleys

### Mortuary Stacking Trolley

The 4 tier mortuary trolley is robustly built and finished in powder coat paint. It is available in either manual hydraulic or electric hydraulic.

**368140**

Manual Hydraulic

1890 x 580 x 400-1760mm

180kg Max Load + Heavy Duty Upgrade Available (255kg)

Part 368145 - High Weight Accuracy Trolley Available (320kg)

**368141A**

Electric Hydraulic

### Concealment Trolley

Designed for discrete transport of cadavers from a ward to the mortuary. The trolley has a powder coat paint finish, with a choice of fixed top or roller top to accommodate the mortuaries style of trays. Available in four different sizes (see price list), with various upgrades available

**31151**

Fixed Height

See price list for sizes – paediatric, semi-obese, obese & bariatric
